# Nordic Advanced LPS Knee Revision Instructional Course

Johnson & Johnson Institute  
Hamburg, Germany

# Welcome

DePuy Synthes would like to welcome you to the Nordic Advanced LPS Knee Revision Instructional Course in Hamburg.

This Nordic Instructional Course is an advanced course focusing on oncology knee procedures and advanced knee revision cases with LPS, Tc3 and SRom Noiles including didactics, case discussions and a full day dedicated to anatomic lab work. The practical sessions will focus on the surgical technique needed to safely implant the DePuy Synthes Revision portfolio.

**Hotel and Course Dinner:**

Hotel Poppenbütteler Hof  
Poppenbütteler Weg 236, Norderstedt-Hamburg

**Course Location:**

Johnson & Johnson Institute  
Hummelsbütteler Steindamm 71, Norderstedt-Hamburg

**Case Presentation:**

Please bring a suitable and challenging Knee Revision case to present at the course.

We hope you will have a useful and valuable course.
